K-12 Video Production Studio

Including ISTE Standard Curriculum

EPB-3200

The EPB-3200 is a complete workflow that is designed for educators to teach the fundamentals of live video production. With this bundle, students will be able to produce news shows, morning announcements and other live event productions. The included Teachers Guide and Activity Book with ISTE Standards, offers recommended lesson plans, activities, and step by step how-to tutorials. The EPB-3200 includes the HS-3200 12 input hand carry mobile studio with a built-in streaming encoder and recorder, 2 x PTC-140 PTZ cameras, RMC-180 PTZ camera controller, CAP-2, HC-800 portable case, two TP-800 teleprompters, and the video production teachers guide and activity book.

MSRP: \$15,999
